

## Business Plan

Directions: Answer the following questions, they will help you organize your thoughts for the letter you will write to Pharaoh Filly.

1. How will your business utilize the Nile?
2. What type of work or workers will you need for your business?
3. What resources or materials will be needed for your business? If not found in Egypt where can they be found?
4. How will your business benefit the Egyptians?

5. What will it look like and where in Egypt will it be located?

6. How can I impress or (wow!!!) the Pharaoh?
